## **HB 2007 - SB 2072**

January 14, 2000

**SUMMARY OF BILL:** Includes fully enclosed vehicles with 3 wheels weighing less than 1500 pounds in the definition of motorcycle. Specifies that helmet requirement does not apply to such fully enclosed motorcycles. Requires persons selling such vehicles to be licensed to do so by the Motor Vehicle Commission. Includes such vehicles in definition of vehicles which require a Class "D" license for operation and specifies that such vehicles are excluded from requirement to obtain a Class "M" license for operation.

### **ESTIMATED FISCAL IMPACT:**

#### **Increase State Revenues - Not Significant**

Estimate assumes that Motor Vehicle Commission will receive new applications for licensure to sell such vehicles thus collecting the license fee of \$200 for a two year license. The number of such applications and the resulting revenues are estimated to be not significant.
